

15
OFFICIAL PROGRAM

ASTORIA
EIGHTEENTH ANNUAL
REGATTA

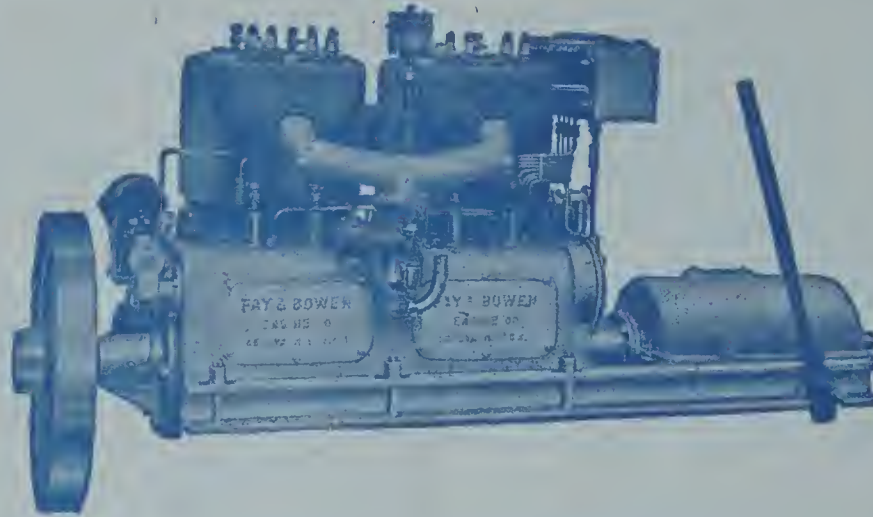

JULY 3-4-5

1913

DEPENDABLE SERVICE

These two requisites you have a right to expect when purchasing your marine motor. Don't squander your hard earned cash on an engine that will not give you dependable service. Take time to investigate the various engines manufactured. Look up their records. Study their construction. Ask your friends about them. Do this for your own protection.

FAY & BOWEN 2 and 4 cycle motors and ROBERTS 2 cycle motors will bear your closest scrutiny. They embody all these dependable features that you want in your engine. They are standard motors used from one end of the country to the others. They are backed by a reputation extending back over a quarter of a century. See them in all sizes on our sales floor or write for catalog and prices.

Special attention
given to inquiries re-
ceived by mail.

FAY & BOWEN 4 cyl., 4 cycle Marine Motor.

Made in 2, 4 and 6 cylinder types, developing from 5 to 65 horsepower.
